Washington, DC | 202-367-6280 | azizrocke@gmail.com | linkedin.com/in/mohamed-aziz-laouiti | github.com/AZIZXlaouiti

EDUCATION

George Mason University of Engineering and Computing

Bachelor of Science in Computer Science

Fairfax, VA

Present

Northern Virginia Community College

Associates of science in Computer Science and Engineering GPA:4.0

Annandale, VA

May. 2022 – Dec 2023

TECHNICAL SKILLS

Languages: Python, JavaScript, Ruby, HTML/CSS,

Web/Frameworks: React, Next.js, Linux, Git, Visual Studio

Databases: SQL

Coursework: Data Struct & OOB Design, Disct Math, Calc III, Applied Python

PROJECTS

ClosetPal | *CO-Founder*

- Created an Image-based fashion recommendation system that suggests daily outfit for users based on their digital input factoring in the weather, your mood, and the occasion

My Receipt

- Developed a receipt scanning app utilizing computer vision (**OpenCV**) and OCR (**Optical Character Recognition**) to seamlessly extract text from bills and store it in a **Supabase** database, providing users with easy access to their transaction details.

Github API Service

- Engineered a **web** service using **Javascript** to fetch pinned GitHub repositories, enabling **100+** users to seamlessly showcase their top projects on personal portfolios.

ACTIVITIES & INVOLVEMENT

Product Design incubator | *Sponsored by the National Science Foundation.*

Created a high-fidelity interactive prototype using Figma, presented at PDI annual product Day, receiving 90% positive feedback

Goldman Sachs Virtual Insights Series |

Selected from over 1000+ applicants to participate in extensive 4-week program

SkillsUSA | *Computer Programming Championship, 1st Virginia State Gold Medalist, 3rd nationally*

ColorStack GMU | *Community Member: leveraging a portfolio of tools, resources, and opportunities to support the mission of increasing Black and Latinx Computer Science graduates.*

Medium.com | *Technical Writer*

Tunisian Space Association | *Drafted and finalized a preliminary design review for characterizing water ice sites on Moon mission with a remote team*

AWARDS & HONORS

CodePath | *Tech Fellow, TIP 103, CIP 2024 attendee*

5x Presidential List award | *Dean's Honor List*

Transfer Scholar Network (TSN) | *SkillsUSA-2024 Programmer Of The Year*
